

St. John's-on-the-Lake

(Episcopal)

BEAR ISLAND, LAKE WINNIPESAUKEE,
MEREDITH, N. H.

To All Summer Residents:

The Episcopal Church of the Diocese of New Hampshire has just completed a unique and beautiful stone church, situated in the midst of the lake. It is on the heights of Bear Island, on the site of the famous old observation-tower which has now become a part of the church building.

This church has been placed where it is in order to minister to every sort of person who makes this beautiful region a vacation spot, either for long or short periods. Regardless of what your religious affiliation at home may be, we hope that you will join each Sunday with us at this community centre of worship. There will be a service every Sunday at 10.30 A. M., at which there will be an able preacher. All the families and individuals of the region will be heartily welcome. There are well-marked trails to the church from "White Mountain Park" landing, from the old lumber wharf at East Bear, from the beach at either side of "The Narrows," and from Deep Cove, the shortest but steepest trail of all.

On Sunday, July 31, at 10.30 A. M., the church will be dedicated by the Rt. Rev. John T. Dallas, D. D., Bishop of New Hampshire. This will be the first service of the season.

Through the Sundays of August and the first Sunday of September, in addition to the 10.30 A. M. service, there will be a special service for boys' and girls' camps at 4.00 o'clock in the afternoon.

Any further information will be gladly given at any time by the undersigned.

Very sincerely yours,

KENNETH RIPLEY FORBES,

Priest-in-Charge,

Birch Island, Lakeport, N. H.
