Dear Friends of St. John's on The Lake:

1977 was another busy year at St. John's Chapel and the fiftieth year that it has served the Lake's summer community. The Chapel was constructed under the direction of Kenneth Forbes in 1927 by enclosing and expanding the original fire tower which had stood on the same site - the highest on Bear Island.

To highlight the anniversary, a special service was conducted on July 17th at which Bishop Philip A. Smith, after presiding over the regular Sunday service, presented the deed to the Chapel to our Association as a gift from the Episcopal Diocese of New Hampshire. A lively picnic buffet followed.

Enclosed is a schedule of services for this summer. A number of old friends have returned to assist us and will be joined by several interesting new ministers. The services continue to be broadly ecumenical. We hope you'll be able to join us often.

The Chapel is dependent for its maintenance and operation on offerings and gifts from friends. If you are able to assist this year, please return the enclosed card to our Treasurer, Mrs. Duane Keeler at R.F.D. 1, Suncook, N.H.

We look forward to seeing you this summer.

Sincerely,

Craig E. Falk
Craig E. Falk, President

P.S. Everyone is invited to a church picnic around noon on July 23rd at Keeler's, next to the Bear Island Yacht Club.

A non-denominational summer chapel serving as a religious center for all Christians, providing services on Sunday and administering to the religious needs of the large and scattered summer population of Lake Winnepesaukee
